"MINI MALL" ECON PROJECT

Our Spring "Mini Mall" is coming very soon! Room 120 will be making our own goods and "selling" our own services to other 2nd graders! One good that we plan on producing and making for "Mini Mall" are friendship bracelets. If you have any rubber band looms sitting around, we would really like to use them to create our friendship bracelets. I will send a flyer home with more info as "Mini Mall" gets closer.
Thanks in advance for your support!
